## A Last Message to the Family

Thank you to both families who instantly threw up a protective wall around Jack and myself when my diagnosis was confirmed.

Your love and support we couldn't have done without.

## To My Friends

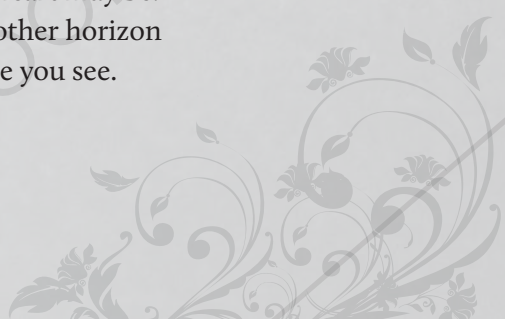

Thank you to all my friends who drove me to many coffee mornings and luncheons, who turned up at the house with trays of home cooking, who sent many cards to cheer me up. My front door became a revolving one, and I loved it as it cheered me up and maintained my positivity.

I am a rich woman having so many friends.  
I can only describe my friends and friends  
to the words of one of my favourite songs:  
'You're simply the best.'

## Another Tomorrow

There's always another tomorrow,  
However hard the day.  
There's always an end to sorrow,  
Time wipes our tears away.

There's always a reason for living,  
Though sad your heart may be.  
There's always another horizon  
Beyond the one you see.

Donations will gratefully be received for  
**NHS Beatson Cancer Support, Glasgow**  
and  
**St Andrews Hospice, Airdrie.**

Who cared for me along this bumpy path.
